Dear Sir:

The Examiner's attention is hereby directed to the following reference(s) listed on the attached Form PTO-1449 for consideration in connection with the examination of the above-identified patent application.

Each of the reference(s) enclosed was cited in a communication from a foreign patent office in a counterpart foreign application. A copy of the Search Report is enclosed.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the enclosed documents constitute "prior art." If it should be determined that any of the submitted documents do not constitute "prior art" under United States law, applicant(s) reserve the right to present to the office the relevant facts and law regarding the appropriate status of such documents.

Applicant(s) further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the enclosed references, should one or more of the references be applied against the claims of the present application.

This paper is filed with a Request for Continued Application. No fee is required. If there are any other charges, or any credits, please apply them to Corning Incorporated Deposit Account No. 03-3325.

Respectfully submitted,

Joanne N. Pappas, Esq.
